

THE IMMERSIVE LEARNING PROJECT

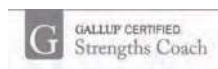

RED CAT
ADVENTURES

The Immersive Learning Project offers interactive and fun experiences for all ages and group sizes visiting the Whitsundays and Mackay

The Whitsundays
THE HEART OF THE GREAT BARRIER REEF

Curriculum Based Experiences

REEFSEARCH TOUR

This full-day interactive educational experience dives deep into marine ecology, unique ecosystems, biodiversity and conservation of our World Heritage-listed Great Barrier Reef. Our Reefsearch tour is an educational, curriculum-linked customised program, which teaches about the Great Barrier Reef Marine Park Authority's Eye on the Reef program and the Coral Watch Health Chart. Throughout the day's adventures, you will learn about coral species, marine wildlife, indicator species, water quality, reef health and threats to the Great Barrier Reef.

ADDITIONAL COURSES AVAILABLE

- Shipwrecked
- Team Building and Leadership
- Boat License Shipboard Safety (16years+)
- Open water dive certification
- Wildlife Encounter
- Falls to Paradise
- Shift Training

THE LAND & SEA

The Land and Sea course is made up of the following 3 topics but can be customised.

Indigenous Experience - Become immersed in an awe-inspiring interactive educational experience. Learn about Indigenous culture, history, heritage and storytelling. For over 60,000 years traditional connections to sea country have been part of Indigenous maritime culture and customs (classroom).

The Foundations of Life - Let's piece together the world's largest puzzle - the Great Barrier Reef. Through interactive educational storytelling begin to understand the astounding world beneath the waves (classroom).

Eco Barge Clean Seas Experience - See first-hand the effects of pollution on the marine environment with a hands-on guided tour of a Turtle Hospital and Rehabilitation Centre. Here we will discover the cause and effect of our world's pollution whilst becoming part of the solution (excursion).

SAFETY AT SEA

Plan a voyage and sail the waters of the Whitsundays. Develop the teamwork required onboard to successfully manoeuvre the vessel towards your planned destination. The laws of the sea, navigation, vessel handling, safety equipment, weather conditions and emergency procedures are subjects covered on this voyage of discovery. Both onboard and in-water safety at sea are vital learning life skills, so once at your planned destination, in water safety will be taught. From rescuing a scurvy crew member, to what you can and cannot catch and serve your Captain for dinner.

SNORKELLING AND SAFETY TRAINING RISK ASSESSMENT

Worried about snorkelling? We recommend booking snorkelling training in the safety of an exclusive pool before snorkelling in the ocean. A marine safety specialist will deliver a 1hr briefing and evaluate any risks by completing risk assessment form for each person.

Fun Adventure Tours

Wildcat Mackay

Depart from the Mackay Marina and journey towards the hidden wonders that lay above and below the waters off the coast of Mackay. Spend your morning discovering one of the many secluded beached or sandbars the region has to offer. Enjoy fresh homemade baking for morning tea, followed by a buffet lunch before heading to one of the many snorkelling locations on the fringing Great Barrier Reef.

Thundercat: Whitsundays

Thundercat offers an exhilarating ride around the Whitsunday Islands all in one day. This all-inclusive day tour offers guests comfort and safety for all guests. In a customised built boat ensuring safety, comfort and speed. The 2021 Hall of Fame award-winning tour visits the world-famous Whitehaven Beach, Hill Inlet lookout and offers 2 snorkelling opportunities on the fringing Great Barrier Reef.

Tongarra Day Sail

This all-inclusive day tour will take you off the beaten track to some of the Whitsunday Islands' secret spots. You will encounter the most incredible range of marine life and witness the wonders of the Great Barrier Reef from above and below the surface. Tongarra is a large comfortable catamaran with a huge deck, spacious seating, chilled tunes and spectacular scenery. We will provide history talks, and guests will learn from our experienced crew about the reefs and the beautiful islands. Enjoy a fun banana boat ride before the sunset sail home to Airlie Beach.

Tongarra: Camp on the water

Tongarra offers an overnight fun sailing experience. The all-inclusive package visits the best destinations in the Whitsundays including Whitehaven Beach, Hill Inlet Lookout and snorkelling at pristine locations on the fringing Great Barrier Reef. The experienced crew are handpicked for their knowledgeable, safety and friendly attitude and happily prepare top-quality fresh meals on the BBQ. Grab your mattress at night, lay back and count the shooting stars as you drift off to sleep.

Salty Dog Kayak

Salty Dog Sea Kayaking has an active adventure to suit everyone. Choose from our popular Half Day Inner Island Turtle Tour (approx 6kms paddling), or an overnight kayaking/camping expedition. Alternately, we can create an adventure just for you.

Crocodile Safari

Discover one of the largest river eco systems on the east coast and their residents. Be treated to fresh made damper and ride through the wetlands. Explore Goorganga Plains on a tractor-drawn wagon train and discover the vegetation and wildlife in a freshwater wetland habitat. Meet some interesting Aussie characters on your tour like Boofhead the crocodile.

Whitsunday Golf

BE A MARINE BIOLOGIST FOR A DAY

Nature has a beautiful way of connecting us to this planet we call home. We aim to educate new generations so we can preserve it. The Great Barrier Reef Marine Park Authority has developed an extensive learning package called 'Be a Marine Biologist for a Day'. We're here to help take students from the classroom out into the beautiful waters of the Great Barrier Reef as part of the 'finding out' phase. Our Marine Biologists and Master Reef Guides will guide students as they experience the wonders of the reef and undertake Citizen Science activities. The comprehensive educational resources are customisable and link to each curriculum from prep through to year 12. For more information go to www.gbrmpa.gov.au/the-reef/learn-about-the-reef/be-a-marine-biologist-for-a-day
